

IMPORTANT NOTICE RE PHONE OUTAGE

13 May 2022

Dear Valued customer

RE: PHONE SYSTEM CHANGEOVER

Tasman Liquor is upgrading its phone system on **Wednesday 18th May from 3pm** which will result in our landline phones being unavailable for a short period of time.

This change is essential as the current copper wire system is being retired with old connections to be deactivated. This change-over will take a number of hours to complete, so please ensure that you utilise our on-line facilities to place any orders (via either our Website or via email):

- Order On-line: www.tasmanliquor.co.nz
- Email: orders@tasmanliquor.co.nz

If over this period, there are any Urgent enquiries you can contact our Customer Services Manager on 027 746 7820.

Thank you for your patience and understanding during this transition.

Yours sincerely
