

# TASMAN NORTH ISLAND SUMMER DELIVERY SCHEDULE

Changes Effective 3<sup>rd</sup> December 2018

While we are working closely with our Freight Providers to cope with this peak demand, we also need your assistance to help alleviate pressure on the Supply Chain. **“Just in Time” ordering is not always realistic during these peak pressure times.**

To prepare for the busy season, and to give yourself the best chance of maintaining stock we would encourage you to: -

- Place your orders as early as possible.
- While every effort will be made to adhere to the delivery schedule, any stock required prior to Christmas should be ordered before Thursday 13<sup>th</sup> December
- Consider placing larger orders to create a safeguard in the instance of any unforeseen events

Please refer to the schedule below as cut-off times are specific by day
